(QUARTELRY NEWS LETTER)

SCHOOL NEWS

EVENTS AND ACHIEVMENTS

A rhythm of reapers; a flashing of steels in the meadows; a lashing of sheaves in the Wheatland's; a glitter of grain-builed streets, and a twitter of birds in a motionless sky. And that is July!

-James Newton Matthews

The summer looks out from her brazen tower, through the flashing bars of July.

July is here - marking the height of summer and bringing a spirit of celebration that makes us want to soak in every sunlit moment! It's a month of continued growth, exciting possibilities, and the joy of full-blown summer.

MESSAGE FROM PRINCIPAL'S DESK

Our school is scaling new heights with excellent and reputed professional training. Our children in a range of co-curricular activities, including swimming, Chess, volleyball, skating and many more indoor and outdoor games.

We encourage questioning as we want them to be agile in their thinking. We stoke their spirit of discovery and enquiry.

As Einstein remarked beautifully "Education is not so much the feeding of fats into the mind as the awakening of curiosity of soul.

We want our students to be lifelong learners.

We aim to make education a fulfilled, enjoyable, learning and growing experience on a solid foundation of values. We believe it is important to create an environment where look eagerly forward to coming to the academy.

CLASS ROOM NEWS

II STANDARD

IF WE ARE MEANT TO STAY IN ONE PLACE. WE'D HAVE ROOTS INSTEAD OF FEET – RACHEL WOLCHIN

The junior studiers of second standard delved deep into the activity of germination of seeds.

The process of the seed germination will light up the mind of the young ones. Which follows different steps

1. Ambition
2. Respiration
3. Effect of light on seed germination
4. Mobilisation of reserves during seeds germination and role of growth regulators
5. Development of embryo axis into seeding

The children exercise agency and also became kinaesthetic kudos to our thoughtful learners!

hello

Welcoming monsoon under the shade of colourful umbrella and raincoats.

JULY

As if these little champs are asking.....

And who art thou? said I to the soft-falling shower,

Which, strange to tell, gave me an answer, as here translated:

I am the Poem of Earth, said the voice of the rain,

Eternal I rise impalpable out of the land and the bottomless sea,

Upward to heaven, whence, vaguely formed, altogether changed, and yet the same,

I descend to leave the drouths, atomizes, dust-layers of the globe,

And all that in them without me were seeds only, latent, unborn;

And forever, by day and night, I give back life to my own

origin, and make pure and beautify it;

IV STANDARD

The junior studiers of second standard conducted the assembly on world asteroid day on 21 July

The whole class took part in the assembly with their beautiful ideas

The theme of world asteroid day will bring awareness about the potential threat the asteroids can inflict upon impact with our planet. June 30 is observed as world asteroid day to mark the anniversary of Tunguska impact over Siberia

VII standard

The middle schooler performed "play let"

पापा खो गए!!!!

इस एकांकी के जरिए लेखक ने इंसानों के अंदर की इंसानियत को जगाने की कोशिश की है। इस एकांकी में लेखक ने दिखाया है कि किस तरह एक आदमी के अंदर का शैतान कभी-कभी उस पर इतना हावी हो जाता है कि उसे ये पता होते हुए भी कि वह बुरा काम कर रहा है, वह उस बुरे काम को करना ही पसंद करता है।

Selection of the Student Council

It provides opportunity among students to develop leadership skills by proactively participating in all school processes, sensitize students towards the community welfare. The Student Council ensures adherence to student code of conduct and thereby a safe and conducive environment for all

A council serves as the voice for an entire student body and actively works with teachers and advisors to promote a better learning environment.

Once an election is announced, students perform a critical assessment about his or her own abilities and skills and decide whether he or she would like to serve on the student council. This is an excellent critical self-reflection that can really help students measure the roles that best fit them or even identify personal weaknesses they would like to shore up.

In addition to boosting confidence, student councils improve communication skills. When a student chooses to run for student council, he or she must be able to speak publicly. Once elected, these individuals must also be comfortable speaking openly with other student officers — including problem solving and accepting feedback.

Student councils promote a sense of personal responsibility among students. Students running for student council are taking on leadership roles on behalf of the entire student body — he or she must then promote and uphold the values of the entire student body.

Serving on a student council and running for election are great opportunities for teaching and learning the principles of networking. When campaigning and trying to reach the student body for votes, students learn the value of networking and the skills necessary for successful networking.

Serve with Pride, and Lead with Confidence! The Investiture Ceremony is an occasion where the newly elected Prefect Body of the Student Council steps into the leadership role and takes an oath to deliver their duties promptly thus striving to impact the school community positively on the success path.

Our selected students proudly hold the badges of their duties and responsibilities.....

At the investiture ceremony, the chief guest was Commodore Iftexhar Alam Nausena Medal Addressed all the students and parents good luck and a great future

He turned nostalgic commemorating his early days

Student council programs also help to boost the resumes of elected students. Serving on a student council looks great

on college applications and can be a great topic for student admission essays.

Kargil Diwas

On the auspicious occasion of 'Kargil Diwas' our students from secondary school tried to bring the values of unity, peace and patriotism, making our nation stronger. It honours the bravery of Indian soldiers in the war. Kargil Vijay Diwas, or Kargil Victory Day, is observed annually on July 26 to mark India's triumph in the 1999 conflict with Pakistan. The day honours the bravery and sacrifices made by Indian soldiers during the intense and prolonged war.

Students from VIII and IX participated enthusiastically in the Role play through mesmerizing Dance and Song performance.

The situation of war was beautifully narrated through their act .

The Kargil War, one of the most remarkable armed conflicts, occurred between May to July 1999, pitting India against Pakistan in the Kargil district of Jammu and Kashmir. This intense war heightened the already tense relations between the two nuclear-armed neighbouring countries and resulted in several

casualties and loss of life. Kargil Victory Day commemorates the win of India in the war of Kargil and honours the jawans who fought the infiltrators with courage, valour and love for their nation above everything else.

मेरी माटी मेरा देश, एकता ही इसका संदेश
 "The Land's Essence, The Nation's Grace,
 Our Patriotic Embrace!"

British sovereignty over India ended on August 15, 1947. All of our fundamental rights were granted to us in our nation, our home. 14-Aug-2023

On 15 August our chief guest Commander Anshar Ahemad Was cordially invited to hoist the National flag After that the National Anthem was sung proudly by our students and faculty members together. The Glimpse of picture holding soil of our motherland

Seminar on Road safety organized by 'Tunir'

Don't be a fool; respect the traffic rules. Safety rules are your best tools. Accidents hurt, and safety doesn't. Roads are not race tracks; slow down your pace. Our secondary and higher secondary students tried to bring the importance of road safety to avoid hazardous accidents.

Onam is a harvest festival of Kerala, India to celebrate the hard work of the farmers. The purpose of this assembly is to make the students learn the significance of Onam and the mythological legend associated to it. The students would know about the festival and different ways in which each day of Onam is celebrated.

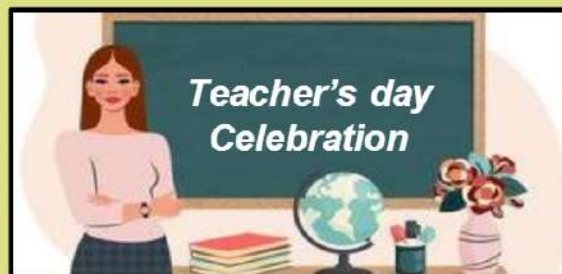

The students must know about the rich cultural and festival of Kerala, irrespective of which ever place they belong to. The students from class IV A took part in decoration of rangoli with different types of flower petals.

Assembly on G20

The student from IV standard executed assembly on G20.

The G20 or Group of 20 is an intergovernmental forum comprising 19 sovereign countries, the European Union (EU), and the African Union (AU).

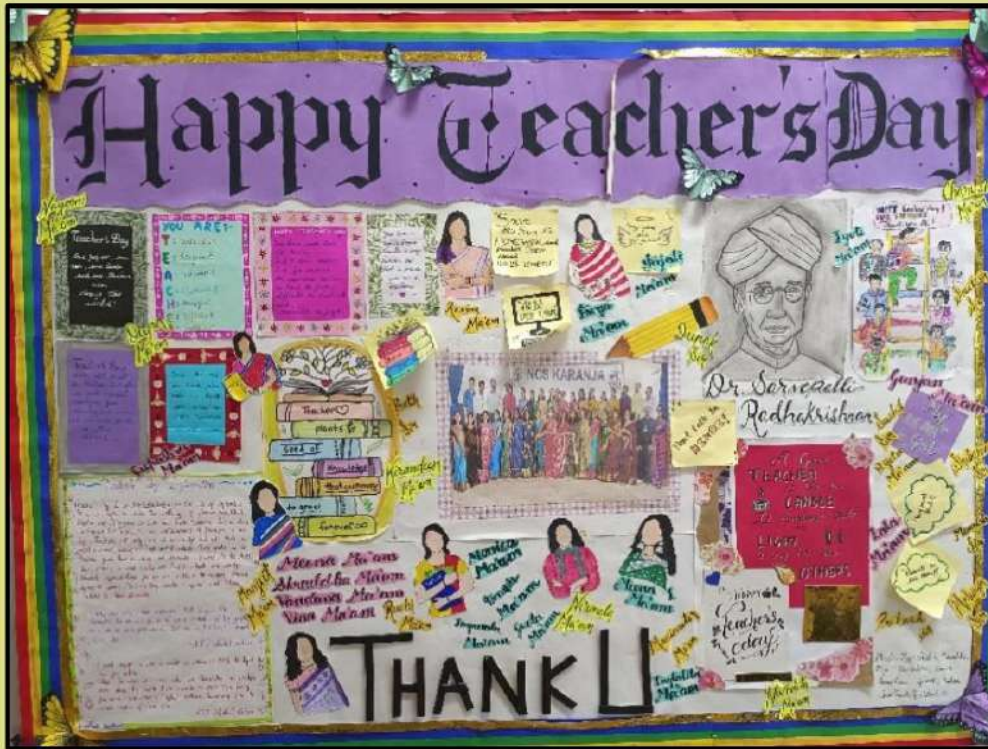

The summit's theme, "Vasudhaiva Kutumbakam" or "One Earth, One Family, One Future" is rooted in ancient Sanskrit texts and the goal of sustainable.

Let us remember: *One book, one pen, one child, and one teacher can change the world.* "Teach love, generosity, good manners and some of that will drift from the classroom to the home and who knows, the children will be educating the parents." "There's no word in the language I revere more than teacher."

Students celebrated 'TEACHER'S DAY' and parallel remembering Dr. Sarvapalli Radha Krishnan by pouring their hearts into handwritten letters, heartfelt speeches, and handmade cards to convey their thanks.

Drawing & Painting Workshop

One of our Student's (Suraj Rawat) "Parent", took part voluntarily in "Drawing Workshop" and demonstrated paintings, each painting was vividly different from the other. He shared various instructions and gave suggestions to the growing minds related to the event. Students from VI to VII engaged themselves with full enthusiasm and vigour.

Topic: Digitalisation In Daily life

"Bhaiya, Google Pay hai na?"
"Zomato se order karke hai?"
"Amazon se kha kha hai?"

These are part of the daily conversations that we have at our homes, market etc. This is a classic example of digitalisation which has now become an inseparable part of our life.

Digitalisation is the art of integrating technology into our daily activities. It is about enhancing our productivity using power tools like computer, internet and mobile devices. It is all about integrating technology into our modern lifestyles and make our tasks easier, faster and efficient. Digitalisation has transformed various aspects of life, it has changed the way we communicate, work, learn and interact. Digitalisation has brought many positive changes across multiple dimensions. We can instantly communicate with anyone across the globe using social media, messaging apps and video calls. We can talk to family and friends no matter where they are.

In education, students can learn online even if they cannot go to school.

Education has become more accessible with the availability of online learning platforms. At work, digitalisation has given the power to work from home, collaborate with others and finish tasks more quickly.

Shopping has become totally different now. Online shopping and e-commerce has brought everything at our doorstep. On the other hand, digital banking and online payment system has made transactions safer and faster. Entertainment has transformed with introduction of streaming services. Now we can watch any movie or TV show whenever we want at our convenience. This and many other aspects of life have been transformed by digitalisation.

The Covid-19 pandemic best highlighted the importance of digitalisation of daily life, with physical movement being suspended for a long period. Online purchases, online classes, online consultation helped us to survive and helped us in fighting the pandemic.

While digitalisation has brought many benefits, it has also introduced some challenges into our lives. We must ensure that our personal information is not available on the Internet. We must not fall prey to online scams and take appropriate precautions. Also, excessive screen time and digital addiction is not good for our

SPORTS NEWS

One of the shining stars **Bhakti Bhoir** from our school has marked her place at the National Level Under 17 Girls, weight 65 To 75 KG securing 1 st position in Kick Boxing in the Waka India Association.

Once again **Bhakti Bhoir** made us feel proud while participating in Under 17 Girls for the Shot-put by achieving 1 st position.

The same effort was made in The Javelin where she achieved success. 2 nd position these two event was conducted in Raigad District.

Another special moment for appreciation in our school NCS Karanja was brought by **Pranjal Gharat** she participated in Under 17 Girls Weight 55 To 75 in The State Level Kickboxing Waka India Association and secured Second Position
